# IDENTITY THEFT ASSISTANCE

## Essential Service For Your Protection

Each year millions of Americans become victims of identity theft. Information that personally identifies you, such as your name, Social Security number or credit card numbers can be stolen and used to commit fraud or other crimes.

Identity Theft Assistance, provided by AXA Assistance, helps you and your dependents understand the risks of identity theft, learn how to prevent it, and most importantly, assist you if your information is compromised.

ID Theft Assistance is available as part of your overall Travel Assistance package offered by your employer. Services include:

### Awareness and Education

We help you understand the growing threat of identity theft by:

- Promoting awareness of identity theft
- Answering your questions about identity theft and how to recognize if you've become a victim
- Educating you on how to avoid having your identity stolen

### Identity Theft Recovery Assistance\*

If your identity is compromised, the most important thing to do is respond quickly. We will provide you with educational resources regarding the steps to take to recover your identity from credit card and check fraud. We will also provide you with a contact list for financial institutions, credit bureaus and check companies.

*\*It's important to note that this value added service is an educational resource and not a recovery service.*
